

NOTICE

As an alternative to requesting that the Registrar arrange a Status Hearing, you may file a Written Status Hearing Consent.

If you file a Written Status Hearing Consent within 60 days of receipt of the Status Notice, do not obtain a date to appear at a Status Hearing. The Written Status Hearing can be filed instead of arranging a Status Hearing and instead of appearing at a Status Hearing.

The Written Status Hearing Consent as well as the Instructions Re: Written Status Hearing can be downloaded from the Hamilton Law Association web-site, at www.hamiltonlaw.on.ca.
